

**ARE YOU WORRIED
ABOUT THE WAY YOUR
CHILD SPEAKS,
PLAYS OR LEARNS?**

Learn the Signs.
Act Early. 

THE TIME TO ACT IS NOW

Take one of the following steps:

- Receive activities and resources to make teaching your child fun and easy.

Text: BRIGHT to 274448

- Check with a professional for a free developmental screening.

Your child's doctor or the
Early Childhood Team at
Health Solutions:
719-583-2207

- Seek support from an early childhood professional for a free evaluation:

Birth – 3 years

Colorado Bluesky Enterprises
719-583-2459

3 – 21 years

Child Find
Pueblo County School District 70
719-542-1671

Pueblo City Schools
719-423-3885

What is a Developmental Screening?

Developmental Screening is a series of questions asked to the parents by a trained professional to find out the strengths and needs of your child around the way your child is developing, playing, and communicating.

What is an Evaluation?

A developmental evaluation is a more in-depth look at a child's development performed by a developmental expert(s) and involves questions and observation in order to identify the areas in which additional supports are needed.
